Cowansville

# A word from the mayor

Dear residents of Cowansville,

First, I would like to thank everyone who took the time to participate in the municipal elections on November 2. Every vote counts and contributes to the vitality of our local democracy.

The next four years promise to be, once again, full of challenges and projects. Affordable housing, environmental protection, and economic development will continue to be high on our list of priorities. These are essential issues for ensuring Cowansville's vitality and quality of life. Our goal remains the same: to build an inclusive, attractive, and prosperous city.

And what a wonderful year lies ahead! In 2026, Cowansville will celebrate its 150<sup>th</sup> anniversary. This is a unique opportunity to celebrate together our history, our heritage, and above all, the people who make our community tick. Our team is working hard to plan a memorable year filled with activities and festivities that will showcase our collective pride.

I invite you to follow the entire program on the municipality's website at [cowansville.ca/150](http://cowansville.ca/150).

I look forward to seeing you at these events and wish you all a winter filled with heartwarming encounters.

Sylvie Beauregard | [Mayorsbeauregard@ville.cowansville.qc.ca](mailto:Mayorsbeauregard@ville.cowansville.qc.ca) | 450-263-0141

## Upcoming municipal council meetings

- December 15, 2025
- January 19, 2026
- February 3

Council meetings are held at City Hall at 7:30 p.m. and are broadcast live on the City's website.

## City councilors 2025–2029

## New educational trail in the heart of the Colibris Park woods

The Colibris Park woodland redevelopment project, winner of the municipality's very first participatory budget, is now accessible.

A 380-meter trail covered with mulch and featuring a gathering area with furniture has been created. Educational panels have also been installed to teach visitors about the area's flora and fauna.

The project was made possible thanks to a \$50,000 budget.

Undergrowth shrubs and various floral arrangements complete the landscaping to reflect the richness of the natural ecosystem.

The City of Cowansville warmly thanks all citizens who submitted a project or took part in the vote.

The next project submission period for the 2026-2027 participatory budget will be announced in the spring of 2026.

## New pedestrian crossing in front of the hospital

In order to improve pedestrian safety and facilitate active transportation in this busy area, a new crosswalk has been installed on Main Street, in front of the Brome-Missisquoi-Perkins Hospital.

Equipped with solar-powered flashing lights and clearly visible signage, it ensures safe crossing at all times.

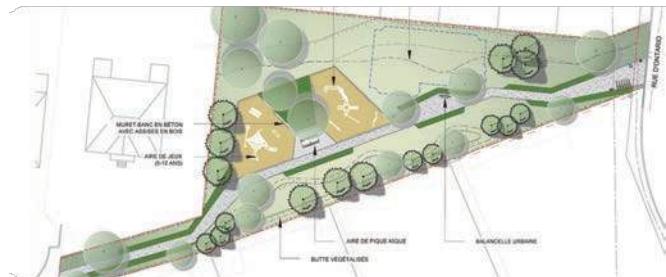

When approaching crosswalks, drivers must exercise extra caution and yield to pedestrians.

Did you know that the Highway Safety Code also applies to pedestrians?

Pedestrians have the right of way over drivers and cyclists. Drivers and cyclists must stop to let pedestrians cross once they have stepped onto the yellow or white stripes or have clearly indicated their intention to do so.

## Development work at the new Papineau Park

The new park is located on Ontario Street, near Louis-Joseph-Papineau Boulevard

The park will include two playgrounds (one for children aged 2 to 5 and the other for children aged 5 to 12), street furniture, and trees and shrubs.

Project timeline:

2025: Grading of the land, earthworks, seeding, planting of trees and shrubs, preparation of bases for modules and furniture.

2026: installation of street furniture and play modules.

## Opening of a Consignation return location in Cowansville

Consignation announces the opening of a new return location at 135 Sherbrooke Street, Suite 101, in Cowansville.

Reserved exclusively for the recovery of returnable beverage containers, this Consignation return location offers two services:

1) Unit return with automated recovery machines

2) Express return, which allows residents to drop off a bag of unsorted containers. Residents who wish to do so can receive their refund through the Consignation mobile app.

The Consignation returns advisor team is available to assist residents with the recovery of their containers on Mondays, Tuesdays, Wednesdays, Saturdays, and Sundays from 8 a.m. to 6 p.m. and on Thursdays and Fridays from 8 a.m. to 7 p.m.
